

Seacrest Beach Club

To all new owners, and or Sellers

Anyone selling or buying a home in Seacrest must make contact through either the web site, or a member of the board so the proper paper work can be forwarded to the potential new member. It is in all of our deeds, that in order to own a home in Seacrest you must become a member of the Club, and therefore be binded to the rules and regulations of the Club.

Contacting us before the home is sold protects the buyer of the home from buying a home that has past monies do the club. The access to the beach would therefore be restricted until the new owner pays past do monies, and appropriate fines and late fees.

Please make it a point to contact us so your purchase can be a pleasant one.

Robert F. Schwarzenbek, Pres.
